

Svala

OF FINLAND

TACTICAL 2025

Svala of Finland

Svala of Finland designs and manufactures premium technical underwear and mid-layers built for the toughest conditions. Their high-performance gear is trusted by outdoor enthusiasts and professionals alike, with products available through retailers, wholesalers, an online store, and an Outlet location.

Svala's range includes technical base layers, thermal wear, merino wool leisurewear, and fire-resistant garments for extreme environments. Every piece is designed for efficiency, durability, and comfort, making it the perfect choice for both recreational use and demanding professional tasks.

Airbase

Your Tactical Foundation

The Airbase collection is the ultimate base layer for professionals and outdoor adventurers, combining lightweight breathability, moisture-wicking performance, and adaptability. Made from 100% polypropylene mesh, these garments keep you dry and comfortable during intense activities.

Now available in Merino Wool, Airbase Woolnet adds natural thermoregulation and a softer feel, perfect for extreme conditions.
